Voting by Post

If you would like to apply for a ballot paper to be sent to you by post, please enter the address for the ballot paper to be sent below. Please be aware that the earliest time postal votes could be issued is ten working days before polling day, and that they must be received by the Returning Officer by the close of poll on polling day if they are to be included in the count. If you have any doubts as to whether a ballot paper would be likely to reach you and be returned by you in time to be included in the counting of votes, you may wish to consider instead appointing a proxy to vote for you (see below, "Appointing a Proxy").
